History of the School

The school was founded in 1908 by Mr. Algernon Lucas, a graduate of Selwyn College, Cambridge, to educate boys to 13 years of age. Its first location was in downtown Montreal, on MacKay Street, and in 1930 it moved to more spacious quarters on Redpath Street. Upon the death, in 1945, of its fourth Headmaster, Mr. Geoffrey H. Wanstall, the ownership of the school was transferred to the Selwyn House Association, a newly created group of Old Boys and interested parents. In 1960, the building housing Westmount High School was acquired and the school moved into these, its present quarters. The relocation not only provided expanded, first-rate facilities, but enabled the school to offer instruction beyond the junior high school level, through to matriculation.

Selwyn House seeks to prepare students who exhibit good citizenship, for imaginative, reasonable and responsible exercise of their facilities.

Best Wishes

Again this year, we extend a warm welcome to all participants, players' families and friends at the Eleventh Selwyn House Varsity and Bantam Invitational Hockey Tournament.

It is our hope that all will enjoy and benefit from the friendly competition. We look forward to the display of individual and team play attended by exemplary sportsmanship.

William Mitchell
Headmaster

The Gryphon Team Captains

Capt. James Brooks

James is a very strong and mobile defensiveman in this, his second full year at the Senior level. His tenacious checking and exceptional speed have provided our Senior team with great leadership at both ends of the ice.

It has been a pleasure working with James as he exemplifies the spirit of a good team captain.

We wish James luck and have confidence that he will be an asset to any team that he plays with next year.

Asst. Capt. Michael Durcak

Mike is a fine example of a forward, demonstrating a combination of speed, agility and defensive prowess.

Mike is our best forward this year and leads our team in defensive statistics. His contributions to the line-up extend to include a total dedication to the importance of a defensive structure.

He kills penalties, plays any position with ease and is the blue-chip player who can break a game wide open.

Good luck to Mike next year.
